

Leadership Academy

Building Nevada leaders

Leadership development is an essential element in the process of improving our profession and the Association. Nevada REALTORS® is committed to identifying and cultivating leaders for the future of the real estate profession in Nevada.

Its Leadership Academy is an exciting way to accomplish this vision by encouraging participants with motivational activities and assisting in sharpening their leadership skills in the hope they will exert a strong positive influence on the future of the profession and the Association.

The Leadership Academy is a year-long program that meets four times a year in various locations and addresses a variety of areas of personal and business growth, including public speaking, team building and behavioral preferences through Emergenetics.

Lead On!

The Leadership Academy is a constantly evolving, highly-regarded program that offers participants the opportunity to immerse themselves in a challenging curriculum and provides a fascinating path of self-discovery. Classes contain a maximum of 16 REALTORS®. There are always more applicants than spaces available. Therefore, selection into the program is an honor. The purpose and mission of the Leadership Academy is to:

- ◆ Identify emerging REALTOR® leaders and potential Association leadership
- ◆ Encourage those individuals to participate in Association leadership roles
- ◆ Incorporate those individuals into the Association's committee/ leadership structure
- ◆ Historically, half of Nevada REALTORS® directors and officers have been *Academy* graduates.
